A Century of Oregon Methodism

The organization of the Oregon Annual Conference was an administrative necessity. Geographically, the Oregon and California Mission Conference—organized in 1849—was impossible for effective administration, and it is noteworthy that the ministers of the "California District" and the ministers of the "Oregon District" never did meet together for an annual session of their Conference.

Progress was rapid in the growth of Methodism on the west coast, but it was phenomenal for a General Conference to authorize the formation of a Missionary Conference at one session, and then, only four years later, to be called upon to authorize the organization of two full-fledged Annual Conferences from it. But that is what occured in 1848 and 1852 with respect to Oregon and California Methodism.

The Oregon Annual Conference, when it was organized in 1853, had but 13 pastoral charges, and a few educational institutions to which ministers were appointed.

The evangelizing zeal of the Church, however, soon extended the work to the very limits of the vast territory in what was known as Old Oregon. And the Idaho Mission, the East Oregon and Washington Conference (from which later was formed the Columbia River Conference), the Puget Sound Conference, the Pacific German Conference, and other racial and foreign-speaking Missions have been formed.

Educationally, Oregon Methodism has been equally zealous. A mere list must suffice. They are: Willamette University, Portland Academy and Female Seminary (from which later developed Portland University), Puget Sound Wesleyan Institute (from which came The College of Puget Sound), Oregon City Seminary, Vancouver Seminary, Umpqua (or Wilbur) Academy, Santiam Academy, Drain Academy, Ashland Academy, Sheridan Academy, Corvallis Seminary.

Also in the matter of Theological education, a Lectureship in Theology was begun in Willamette University in 1886, which was expanded later to a Theological Department. There was also a Theological Department formed at Portland University. But in 1904 Kimball School of Theology was established on the campus of Willamette University, and continued until the great depression of 1929.

As early as 1854 a start was made on a regular religious periodical and as early as 1856 the Conference was taking vigorous steps to support the Pacific Christian Advocate—which they consistently did until it was merged with all the Advocates in our present Christian Advocate.

Also the Publishing interests of the Church received consistent support from the Oregon Conference. And in 1856 a formal request was sent to the General Conference to establish a Book Depository in Oregon, and pledging themselves to obtain the widest possible circulation of the books and periodicals of our church.

As we close a century of progress in Oregon Methodism there are four districts, covering but a fraction of Old Oregon, but covering nearly the whole present State of Oregon, with 152 Pastoral Charges, with about 130 ministers in the effective relation, beside about 50 other Supply pastors. Our benevolent giving for the Centennial year was $317,951, and ministerial support $414,585, beside $98,852.

Surely, for a century God has blessed us, as loyal men and women have tried to serve Him through the Methodist Church.

in our great church. In the year that just closed there were 153 societies which is a gain of two over the year before. They have 12,054 members and that represents a gain of 570 for the year. They report spending $125,815.00. Their teaching and ministering in the local church is indispensible. The church that does not have an active WSCS is lacking its right arm without which it cannot do effective work. This great host of women is a genuine blessing to all of our churches.

The Methodist Men are counted this year for the first time by our statisticians and they tell us that there are 35 chapters. Some are in the process of being granted a chapter. The quota for our conference is 60 chartered chapters. These chapters count 1720 men who are working in their churches with a purpose, a plan and a program. We are looking for a greater growth in this area of our denomination.

There were a few church visitors from our National Boards this past year. They always bring inspiration. We need more of them. They helped us with our World Service and the missionary giving in the WSCS. Our World Service last year was $112,014 and this represented a gain of $7,872.00 for the year. We Methodists in Oregon gave $2.40 last year per capita in our service to the world as a church. We are not really in earnest in our missionary giving. Too many of our members are in neutral. To nearly half of our members World Service is as much a stranger as the man who said

"When 'ere I see a church
I stop in to make a visit,
So when at last I'm carried in
The Lord won't say 'who is it'?"

The WSCS gave $60,856.00 last year which is $5.05 per person. Along with their gifts of money went many bags of clothing and boxes of food to needy people. This is our record in our missionary giving in a year of General and Jurisdictional Conferences when the legion tells us that benevolent giving suffers a decline.

Our giving could be increased substantially if each church would use the bulletin inserts that are available for the 4th Sunday each month just for the asking of them. The National Boards of our church offer many valuable aids in the field of VISUAL and AUDITORY aids free or a very small cost. Our people will respond if the vision is provided. Too many of our churches are letting the Sunday School do the World Service giving for the whole church which is unfair to the adults. Our Conference benevolence enterprises deserve the support of our adults through their expression in World Service giving.

"A minimum church will not do for these maximum days." Many of our churches are doing something about their antiquated plants. The First Church Salem here is a most outstanding example. The next generation will be proud of what this generation has done here. This may be recorded as a record year in building and remodeling. The Dallas congregation has just completed an entirely new sanctuary and educational building. It is practically all paid for. Silverton completed and worshiped in their very beautiful sanctuary on Easter.

They will build their educational unit as soon as the financial arrangements can be made. This will be one of our most modern new plants. Our church was completely destroyed at Lyons last December 23. 15 churches have given them nearly $500.00. A modern church structure is rising where the old one stood. It will cost about $23,000. This is a most notable undertaking for a membership of 58 people. There has been much donated material and labor. The new church is about half completed. Modernizing and repairing has taken place in the churches at Metzger, Warrenton, Ranier, Bethany, Alsea, Shedd, McMinnville, Turner, Toledo, Yoncalla, and a host of other churches. Dr. Inman of the Board of Missions assisted Coos Bay in raising $26,000 for a new church. The Demand organization assisted Corvallis and Albany congregations in raising large sums for planned buildings at each place. Wesley Foundation at Eugene plan to start their new Building within the next year.

Many congregations are going to add greatly to the efficiency of the pastor on the charge by building or purchasing new parsonages. A fine new parsonage was purchased at Madras last month. The pastor has already moved in. Harrisburg

REPORTS

A. *REPORTS OF BOARDS AND INSTITUTIONS*

Note.—For the sake of economy in publishing costs, the following reports are abbreviated summaries of those submitted to the Annual Conference. This is particularly true where mimeographed reports were distributed at Conference.

DISTRICT SUPERINTENDENT'S COMPOSITE REPORT

In presenting this composite report, your District Superintedents are mindful that this has been an outstanding year. Many important events have taken place in this crowed Conference year that has just closed.

The course of Oregon Methodist history was given a new direction when the Jurisdictional Conference elected A. Raymond Grant a Bishop in the Methodist Church. He has visited 300 Churches in the area in the brief months that he has been our bishop. We have all profited by his splendid administrative ability. The poise and charm of Mrs. Grant has won a large place in our hearts. The reservoir of good will that welcomed the Grants last summer is even larger now. The wholehearted cooperation of the laymen and ministers in the conference through the years has been their response to you, Bishop Grant, for your fine leadership.

The nearly two years of preparation for the Portland Area Forward Movement came to us in Oregon with the 1952 Annual Conference. It spread over our conference in a spirit of urgency. Deadline days were met and this great crusade has created a spirit that will make for a blessing and a benediction in the years to come. It will be the means of helping Oregon Methodism create the Kingdom of God for an increasing number of people. Nearly all of the churches of the Conference responded. In some churches the Forward movement was instilled and a genuine spiritual blessing was the result. This happened in churches of all sizes. The Forward Movement was installed in some churches and the spirit of God was hardly given a chance. A few churches refused to have the great forward movement either instilled or installed. Some of them have already repented. The mourners bench is open for the rest. The Conference treasurer tells us that there has been paid in the sum of $91,709.00. This is a testimony of a new day in Methodism that is about to be born. More love and sacrifice will be demonstrated by those who love the Lord in this day and age.

The United Evangelistic Effort came to our Conference in the pre-Easter season. The leadership of doctors Bainbridge of Colorado and Kendall of California was a rich and instructive experience for all of us. I fear to think what might have happened to our conference membership this year if this spiritual revival had not come to the Portland Area and the Oregon Conference. Our statistiction informs us that our conference gain was 126 members. 2435 were received on confession of faith and 2353 by transfer. Now that we have a new way of counting our members and not counting the inactive members, we will have a solid foundation upon which to build church membership in the years to come.

The new evangelistic mission is scheduled to come to us in the fall months. Our commission on Evangelism will present that plan in due time at this conference.

The educational work of our Conference has some distressing results as well as spots of sunshine. Last year the national church lost some 3300 youth. The Oregon conference reports 283 less in the age group of 12 to 23 years of age. Ministers and laymen are urged to re-examine their entire youth program. We are not taking care of this responsibility.

The average Sunday School attendance is up 196 per Sunday. Only one child in eight is in some Sunday School in Oregon. There must be a greater devotion to duty in this educational task of our church.

The Woman's Society of Christian Service remains the strongest organization

1. CONFERENCE BOARD OF EDUCATION

Church Schools—The church school membership of the Western Jurisdiction is reported as 77.4% of its church membership and this ranks first of all jurisdictions. Oregon has gone above this average to 83%. That is commendable, but when I discover that the nursery members decreased 264 this year that is not good. In 1952 there were born 3,875,000 babies in the United States. There are now in the United States 22,000,000 children six years of age or under. A marvelous opportunity is ours. Our youth decreased by 283. It is time for "THE YOUTH EMPHASIS." Our adults have also decreased by 88, but the children's division brought an increase for the year to 243 for the whole school.

Pearl Sherlock, Executive Secretary

bought a parsonage that was almost completely furnished. There is a completely modern parsonage at Rose City Church in Portland. Sutherland boasts of a new parsonage in the past year. The Forest Grove district tells of new parsonages at Garden Home and St. Helens. Coquille has just raised the money for their new parsonage. Many other parsonages have been made more modern and comfortable.

Oregon Methodism has spent $724,000 on new and improved church edifices. $173,449 has been spent on new and improved parsonages. This $841,000 project is all paid for but $117,800.00. That is a very remarkable one year's achievement. There has been nearly one half million dollars raised in cash and pledges for building projects that will be started in the near future.

SALARY INCREASES. I am happy to report that nearly all the churches are considering their pastors worthy of their hire. The average salary and car expense increases have been close to 10%. The churches in the central states are still ahead of us on salary schedules. We will have more young ministers when more churches rise up and meet the challenge.

Five congregations and five parsonage homes have been saddened this year. Doctors Thomas Acheson, Wm. C. Bowman and B. Earl Parker left us for their eternal homes last summer. In the winter Rev. Alexander Hawthorne of Monroe and this spring Charles G. Brown answered their call with the others after years of noble service in the Master's vineyard. The memory and influence of each lingers with us.

A BRIEF LOOK TOWARD THE FUTURE. The Oregon Conference Forward Movement needs the prayerful support and gifts of each member of our Oregon Methodism. The first year's giving is the easiest. If we are to finish this quadrennial emphasis on schedule and get our new churches built, Wesley Foundation buildings constructed, the Methodist Home in Salem and the Settlement house in Portland brought into being—Oregon Methodists will each take hold of their responsibility. The $91,000 that has come in thus far will make a good start.

Each of our churches should start planning now for the evangelistic emphasis and to adopt the plan for their respective churches. A few of our churches won no one to Christ all last year. Our state has doubled in population since 1900. Today Methodism represents 3.3% of the population. Only 23.2% of the people of Oregon belong to any church in Oregon. That is next to the lowest in the nation. Only Washington has a worse record. Many of our churches would double their membership if they were to have a semblance of the responsibility that belongs to Methodism

WE NEED THE WORDS OF THE GREAT SONG WRITER, which are:

Be strong we are not here to play, to dream, to drift;
We have hard work to do and loads to life;
Shun not the struggle: face it—'tis God's gift, be strong, be strong.
Be strong, say not the days are evil—who's to blame?
And fold the hands and acquiesce—O shame:
Stand up, speak up, and bravely, in God's Name be strong, be strong.
Be strong, it matters not how deep entrenched the wrong,
How hard the battle goes, the day how long,
Faint not, fight on, Tomorrow comes the song, Be strong, Be strong.

Or pray with Fosdick:

God of Grace and God of Glory
On Thy people pour Thy power,
Crown Thine ancient Church's story;
Bring her bud to glorious flower.
Grant us wisdom, Grant us courage,
For the facing of this hour,
For the facing of this hour.

OREGON STATE COLLEGE–WESLEY FOUNDATION

Corvallis, Oregon

Out of an enrollment of 5277, at Oregon State College, 806 expressed Methodist preference. Between 300 and 500 students attend church regularly on a Sunday morning.

A program highlight during the year would be the 14th Annual World Friendship Banquet which is Campus-wide and serving over 200 Wesleyans and their guests. Over 60 foreign students were guests of Wesley. Bishop A. Raymond Grant, Senator Phil Hitchcock and Dr. Burns of the State Hospital have been featured speakers at the Forum hours along with many other able persons. A visit by Miss Ruth A. Smith of the Board of Missions in N. Y. was an opportunity for students to crystalize their thinking in this field. Dr. Georgia Harkness was the guest speaker for an initial meeting of the Methodist Faculty Association at O. S. C. when over 60 of the 150 Methodist faculty members participated in a luncheon.

The problem of expansion occupies the minds of Wesley Foundation planners. The realm of Married and Graduate Students continues to be an "open field." The Christian Discipleship of those who decide for full-time Church-related service is gratifying. In this 29th year of Wesley Foundation at O. S. C., four enter church-related work, 7 continue in the process of preparation, and 4 are participating in Summer-service with the Church.

Earl Riddle,
Director

UNIVERSITY OF OREGON–WESLEY FOUNDATION

Eugene, Oregon

Out of the total college enrollment of 4231, there are 471 Methodist preference students. One hundred and ten of these students actively participate in some phase of our total program which includes the Sunday Evening Firesides, Sunday morning Koinonia Klass, Tuesday evening Potluck dinner and program, Thursday noon chapel, Wesley Chorus, and our week-end parties and outings. The rest of the preference students have been contacted through either our weekly student paper, *The Wesleyan,* personal visitation, or by telephone.

Our Sunday evening program in the fall featured "Firesides of Understanding" in which we discussed basic problems of religious belief. In the winter, our program centered around "The Life of Paul" film series. During the spring quarter, problems of personal Christian living were discussed. Outstanding speakers from the University faculty, University community, and surrounding areas were secured. Our Tuesday evening Potluck dinner programs have been more varied, featuring projects, summer opportunities, student panels on timely issues, and foreign students. The Sunday morning college-age class discussed during the fall quarter the Parables of Jesus and their application to modern life. In the winter quarter, we followed "The Festival of Faith" series, discussing "What Methodists Believe." "Love, Courtship, and Marriage" was the basis for our spring quarter consideration.

Three students have made definite commitment for full-time religious work.

Director

REPORT OF THE WESLEY FELLOWSHIP–THE FIRST METHODIST CHURCH, SALEM

Wesley Fellowship is the principal student Christian group of Willamette University. The total membership of the program is 215 with a participating membership per Sunday of over one hundred. Also under the sponsorship of Wesley Fellowship is the Wesley Morning Fellowship which has an average Sunday morning attendance of 40.

For activities of the group we must mention at least some of the most significant events. The year began with a retreat to Silver Creek Falls State Park

2. *OREGON CONFERENCE METHODIST YOUTH FELLOWSHIP*

We believe that youth work is on the increase in our conference, as shown in increasing numbers of young people at work in our churches. Many of them are young, but they are eager to work. We estimate that there are some 2,000 young people of high school age related to our MYF program in this conference, though certainly not all of them could be called active in it.

Three hundred twenty-two Intermediates attended our Christian Adventure camps last summer. Two hundred forty high school youth from 72 of our churches attended Institutes. We hope that these numbers can be raised during the coming summer.

We are proud that our Methodist Youth Fund giving has shown an increase over last year. In the past two years we have increased our MYF fund gifts by over ⅓. This year our gifts totaled $3,012. Our hope is that we shall soon have every MYF in the conference both pledging and paying to the MYF fund.

Respectfully submitted,

EUGENE E. LAUBACH
Conference Youth Director

SOUTHERN OREGON COLLEGE–WESLEY FOUNDATION

Ashland, Oregon

Ninety students are Wesley's responsibility at S. O. C. E. In one way or another we have reached 55 of these during the past year. We have sponsored an active Sunday school class and have had active sessions, although attendance has not been large. Outstanding projects have included presenting the religious drama "The Lost Book" at Medford, Ashland and Myrtle Point; an International Progressive Dinner with campus foreign students as guests; and participation in an All-church school of Missions.

Snack suppers have been served every two weeks. Evening meetings have included discussions, panels, films and guest speakers on such subjects as "What It Means to be a Christian," Human Rights, Your Church and Mine, and a Lenten "New Life" series.

OREGON COLLEGE OF EDUCATION–WESLEY FOUNDATION

Monmouth, Oregon

All of the seventy-five Methodist preference students at O. C. E. have been reached through periodic mailings and through personal contacts with either the pastor or faculty advisors.

Meetings have been held regularly each Sunday night in the student recreation building.

The Forum theme of the Fall term was on "Building a Deeper Understanding of Ourselves, of Others and of Our Faith, Through God." Speakers for the series included: Dr. P. Malcomb Hammond, President A. L. Strand of O. S. C., Rev. Earl Riddle, Rev. Albert Wilson, Rev. Clark Enz, and interested students. A study program on Dr. Harkness' book, "A Guide to Understanding the Bible" was held in Winter term. Various Denominations were studied in the Spring term. Dr. Brooks Moore was the speaker for the Annual Wesley Foundation Banquet.

The most serious need for Monmouth is in the realm of facilities. This factor hampers the expansion of the program of Wesley Foundation at O. C. E.

students who participated. The high point of the year was February 15th when five teams representing Willamette appeared in five different churches.

Our work with students has been strengthened through the efforts and interests of Doctor Thomas Bennett, who came to the faculty this year and has acted as advisor to the Inter-faith Council. Under his leadership the Inter-faith Council is responsible for the annual Christian Resources Week during which the students receive much inspiration from the leadership. Bishop Grant opened the week and at the same service Miss Marion Anderson gave unusual testimony to the influence of her Christian Faith. Reverend Herbert E. Richards of Boise was the other principal speaker. More than 700 students and Salem citizens participated in the special meditation services and the week was climaxed with an early morning voluntary communion service attended by over 200 students.

Doctor Bennett, during the year, has appeared in sixteen churches in the Conference and has reached more than 600 Methodist young people representing ninety-seven churches through district rallies in the four districts of the Conference and three sub-conferences. Special arrangements have been made with the Conference and through the support of the National Board of Education to make Doctor Bennett available on a full-time basis to the institutes and programs of the summer held under the auspices of the Conference Board of Education .

The faculty of Willamette is unusually active in the leadership not only of the Methodist Church but in other Protestant denominations in the community. One member of the faculty is a state leader in the Congregational Church as well as active in the leadership of the church and local community.

As president of Willamette University I wish to express my appreciation to the Conference for the increased financial support which has come this year. The added $1000 in appropriations from Conference Benevolences, has been accompanied by an increase in College Day Collections, so the total from the two sources amounts to $10,496, or approximately $.28 per member in the Conference, which is an increase from last year when it was $.24 per member on the goal of $.50 per member in the support.

Under the leadership of Willamette's Board of Trustees, the University has embarked upon a million dollar capital program, which means that we must have the maximum possible support for the current budget without having to go outside to raise funds. It is impossible to raise funds for current expenses during the million dollar challenge fund campaign. The University has been most fortunate to have two of its friends offer a total of $500,000 on a matching basis, if the other friends of the University will pledge and contribute an additional $500,000. This challenge fund will be used to erect a new Fine Arts Building which will include an Auditorium available for chapel services. A women's residence hall is the second building to be built out of the fund.

G. Herbert Smith, President
Willamette University

4. BOARD OF EVANGELISM

The Board of Evangelism led the conference in a United Evangelistic Mission for the second consecutive year.

The statistics are as follows:

Visitors	4,727
Won on Profession of Faith	1,132
Won by transfer	995
Total Accessions	2,127
Attendance at Services	35,585
Total Offerings	$ 3,025.05

The District Secretaries were each one in attendance at the Washington, D. C. meeting last December which set up techniques of renewing the concern of church members. These Secretaries have returned to lead us in a program of this sort in the Fall of 1953.

The Board of Evangelism believes that an organized program of evangelism

where there was an attendance of over 80 students. Other notable events included the Wesley Ski Spree to Suttle Lake and large attendances at the two state-wide Oregon Methodist Student Movement Conferences held at Camp Magruder. in October and April.

One very special event of the annual program was the World Friendship Banquet which served 220 citizens and students. Bishop A. Raymond Grant was the speaker and foreign students were guests of honor.

During the school year 21 deputation teams aided local churches, with more than 45 students participating in this program.

Major Sunday evening meetings included a series on Christian Beliefs, a series on Foreign Students and Missions, with a highlight program from Charles Sprague on "Christianity in the United Nations." Also important in the regular program are the student workshops.

It is notable that this program has been backed by an annual student budget for the year of $1475.97; of which the largest item on the budget was $670.00 contributed by Wesley Fellowship to the Methodist Student Fellowship Fund.

Respectfully Submitted,
Dr. Thomas Bennett

WESLEY FELLOWSHIP, LINFIELD COLLEGE—McMINNVILLE, OREGON

There were 44 Methodist preference students at Linfield College, a school of the Baptist Church. Of this number 23 took an active part in the Wesley Fellowship.

Program consisted of a study of other denominations with outside speakers, "bull sessions," outings, and home visitations. We held a church school class on Sunday mornings. The women of the church provided a regular Sunday evening "snack" for the Fellowship. Several of our group attended both the Fall and Spring retreat.

Our attendance declined somewhat toward the end of the school year. We hope to remedy this situation by better planning, early student contacts, and more interesting programs.

Lawrence Guderian,
Minister

WESLEY FELLOWSHIP, PACIFIC UNIVERSITY—FOREST GROVE, OREGON

This past year there were more Methodist preference students at Pacific University than any other group. We cooperated in a united student program which had both its strength and its weakness. Obviously, the solidarity of the group was most desireable. Its weakness was in the fact that by the very nature of the union the group was not closely identified with any church in its official pattern of organization. Even with this arrangement we had representation at both the Fall and Spring retreat. We are looking forward to the new year with a Sunday evening Wesley but will give every encouragement to a united Christian approach on campus.

Minister

REPORT OF WILLAMETTE UNIVERSITY

At the Commencement exercises on May 31st, Willamette University concluded another year of distinguished service to her constituency. In the face of generally lower registration, Willamette maintained its enrollment at the level of a thousand students, which has been common in recent years.

In our relationship to the Oregon Conference, our students have continued to supply leadership through deputation teams, by providing officers for statewide religious organizations, and participating in statewide conferences. During the year a total of twenty-one deputation teams were active and included forty-six

Grant has given our men added courage in moving forward in the cause of Christ, and with the continued efforts of the district superintendents, district lay and associate leaders and laymen, we have accomplished many things together.

FOREST GROVE DISTRICT–TOM HILSON (LEADER)

Associates–Herbert Schlappi, C. C. Boozier, Ralph Metz, R. B. Miller, Wayne Forbis

At our annual institute at Camp Magruder July 18-20 we had one hundred twenty six people in attendance from fifteen churches. The Forest Grove District Extension Society was organized as part of the function of our district men. On Layman's Sunday, members of district men's organization conducted services in fourteen of our churches. During the year charters have been given to Newberg, Beaverton, Tillamook, and Oak Grove.

PORTLAND DISTRICT–WM. J. MILLER (LEADER)

Associates–Howard Somers, John McHale, Ernest W. Peterson, Wm. Morgan

The Portland district of Lay Activities emphasized the connectional interests of the church through cooperation with the district superintendent. The chief project for the year was a combined layman's meeting and the first quarterly conference. Five to seven churches met in designated churches on successive Sunday afternoons for group quarterly conference. At the same time laymen discussed the four commissions of the church under the new organization. Seven such meetings were held with over three hundred in total attendance and some thirty-five laymen participating. Other projects continued were the Portland District Extension Society and the Bishop's dinner at Rose City Park Church. At least five new Men's Clubs have been organized in our district this year.

SALEM DISTRICT–ERNEST JACOBSON (LEADER)

Associates–Waldo C. Zeller, Marcel Chrisman, Joe Unfred, W. A. Carmiceal, Amos Henton

Promotion of men's work in the Salem District is highlighted each year by the annual Laymen's Summer Camp held in alternate years at Camp Magruder (by the sea) and at Suttle Lake (in the Cascades).

The week-end of August 22-23-24 the Lay Leaders, Lay Workers, their wives and families, and their pastors gathered at Camp Magruder for the 13th annual session. It was a week-end of inspiration, instructions, fellowship, and recreation. The program included forum discussions on subjects of vital interest to all church workers, but of particular significance to Men. Every year we come a little closer toward realizing our goal of having every church in the Salem District represented.

Our District Superintendent, Dr. George Roseberry, is a booster for men's work, and has given us his whole hearted cooperation and support.

SOUTHERN DISTRICT–BEN H. SCHMIDT (LEADER)

Associates–Chas. Johnson, John Billings, Floyd Powell, Robert Hale, Lloyd De Less

The Laymen of Southern District have become aware of their opportunities and obligations to the advancement of the Kingdom as never before.

Men are willingly accepting assignments in our Church Schools, Committee Service, Stewardship fulfillments, finance and work crews throughout the year.

There have been important additions and remodelings in most charges to help take care of an ever growing membership. The work of the Advance Movement and Evangelism has been a rich, daring challenge to the Laymen of the whole district.

We are looking forward to the future, recognizing our need of more consecrated lives in the service of the Kingdom of God.

We are all of one accord in expressing our deepest appreciation for a job well done in what we feel was a difficult but challenging task by our District Superintendent, Dr. S. Raynor Smith.

Respectfully submitted,
Lloyd E. Gilson,
Conference Lay Leader

should be carried out each year, and are recommending that the Youth Emphasis be the program for the coming months. It recommends that the Lenten Season be a time of special evangelistic emphasis on a district basis, the details to be discussed in the forthcoming District Conferences. It urges that the gains of the past be conserved, and new victories won through a program of continuous visitation evangelism in each local church, and that each local Commission on Evangelism study the quadrennial program of evangelism as recommended by the General Conference of 1952 (Paragraph 2030 Discipline) and incorporate as much of it as possible into the local church program.

5. *HISTORICAL SOCIETY*

This being the 100th anniversary of the organization of the Oregon Annual Conference, our report will be mainly in the form of a program of Centennial Observance, which will be a part of the official program of the Conference of 1953—held at the First Methodist Church, Salem, Oregon.

The Program Committee which formulated this program and carried it through to completion is composed of Rev. Ormal Trick, Chairman; Rev. Brooks H. Moore, Host Pastor; and Dr. Robert M. Gatke, Professor of History in Willamette University.

But in addition to the Centenary Observance we report the following, which should be a part of the official record of our Society for the year:

1. A commemorative plaque was placed on the Oregon City Methodist Church by this Society in the name of the Oregon Annual Conference in recognition of the fact that at that place was built the first Protestant church building west of the Rocky Mountains, in 1843. This plaque was placed during the Conference session of 1952, but not previously reported in our records.
2. In addition to holding our usual mid-year meeting of the Society to discuss various historical matters and make plans for the furthering of historical interest in the Conference, we have been gratified at the evidences of increasing interest in local church history, and we have been able to furnish data for a number of churches making inquiry of us during the year.
3. Another significant historic achievement was completed during the year which, though not at this time directly connected with the work of this Society, but more directly with the Oregon Historical Society. However, the initiation of this project was probably the work of this Society, many years ago—at about the time of the Centennial of the coming of Jason Lee to the Oregon country:

   A statue of Jason Lee was unveiled on the State House grounds in Salem on Feb. 2, 1953, along with one of John McLoughlin.

   This was a state-sponsored recognition of the outstanding service of these two men in the early history of Oregon. They are replicas of statues recently placed in the Capitol at Washington, D. C.

   The immediately preceding Chairman of this Society—Dr. W. W. Youngson—has labored long and faithfully to effect this recognition of Jason Lee, and for that reason it is fitting that we should include this event in our report at this time.

Respectfully submitted,
Thomas D. Yarnes,
Chairman

6. *REPORT OF THE BOARD OF LAY ACTIVITIES*

Following a most active year we present our report ever giving thanks for the privilege of serving our Christ through the church. Opportunities have always been in abundance and our men have given well to the work. The conference lay leader has had a most active and enjoyable year in assisting in the work throughout the conference. New Men's clubs have been chartered. Study groups have been held. Sub-district meetings have been of most importance. Our Bishop A. Raymond

Fund, and a donation of $500.00 made to Trinity Church, Eugene, in accordance with the vote of the board. Respectfully submitted.

BOARD OF MISSIONS AND CHURCH EXTENSION

Opportunities faced by our Conference in this rapidly growing section of America have materially increased the work load of your Conference Board of Missions. Whereas the Board used to meet annually, with perhaps an occasional mid-year meeting, it has been necessary to hold four complete board meetings this year, plus several sessions of the Executive Committee. It probably will be necessary to hold quarterly meetings, at least, in the year ahead, to care for the new work load growing out of the Forward Movement.

Continued interest of the General Board of Missions in the work of our Conference was again demonstrated by receipt of $14,250 for pastoral maintenance; building fund donations to 10 churches totaling $17,350 and a building loan of $3000—a grand total of $34,600. For this we are profoundly grateful. An enormous amount of detail work and correspondence was necessary to accomplish this result.

The Bishop assisted us materially in arranging for Dr. Sturm of the New York office to make a detailed survey of the top opportunity fields in this Conference as they might be related to the Forward Movement.

We have a Committee at work studying the matter of a possible blanket fire insurance program for the Conference, in the hope that when fires do occur, there might be more adequate insurance payment realized. This is because the Board is asked to render assistance in so many situations after there has been a fire. The Philadelphia office is pressing us at this point and has indicated they may soon refuse to assist in any situation where adequate insurance is not carried.

Berlyn V. Farris has asked to be released as Conference Missionary Secretary that he might give more attention to his newer responsibility as chairman of the Conference Board of Evangelism. We release him with reluctance and with a vote of appreciation for his marvelous leadership. As his successor the Board nominates S. Raynor Smith, whose experience in the Mission field prior to joining the Oregon Conference should be invaluable.

The Board appreciates the interest the members of the Conference as a whole show in its work.

Ernest W. Peterson,
Chairman

REPORT OF CONFERENCE MISSIONARY SECRETARY

This Conference is experiencing a growing interest in the work of Global Christianity. The most outstanding Missionary activity of this year has been the "Forward Movement."

District Missionary Secretaries led their districts in local church Schools of Missions. In many cases the Minister and Woman's Society of Christian Service cooperated in bringing a study program.

The answer to the problem of missionary giving is telling the story. When our people understand missions they will give to missions.

Many of our churches are accepting new Mission Specials. Every church can take a share in some "special." The forward advance of our world and national missions depends on it.

Our World Service giving for this year was:

Apportioned, $121,704; Accepted, $115,927; Paid, $111,974; World Service Specials, $6,817; Advance Specials, $10,786.

disabled people face the future with confidence gone aand dreading financial insecurity. Restoring forgotten faith, lost confidence and job security for several hundred of the state's disabled is the huge task Goodwill Industries of Oregon is facing.

Non-profit, inter-denominational in practice, Methodist in origin, Oregon's workshop for the handicapped turns back every dollar of earned income and contributed funds to the expansion and development of services it renders. Proof of this is seen in the fact that we have just paid to one of our 190 daily employees the 2 millionth, 440 thousandth dollar since our establishment 26 years ago. Ranking 13th in size in the nation, Oregon's Goodwill is the largest employer of handicapped people in the state of Oregon, and in 1952 paid to its handicapped employees more money than the state government appropriated for the same purpose for the same period of time—nearly one quarter of a million dollars.

However, assistance given is much more than that of providing jobs and wages. It includes aid to restore the physically disabled to usefulness, training to develop use of the remaining limbs, or training one limb to do the work of two. It includes religious counselling and worship services, occupational training, teaching new skills and developing latent talents.

For Goodwill Industries is a business plus. It exists for service, not profit. The Goodwill Industries is a social service plus. It offers not alms, but opportunities. Goodwill Industries is a religious organization plus. It seeks to serve, irregardless of race or creed or nationality, the needy in a practical way.

Executive Director

9. *THE REPORT OF THE BOARD OF SOCIAL AND ECONOMIC RELATIONS*

The Board has met and organized as follows:
Chairman: Raymond E. Balcomb
Secretary: Sydney B. Gaither

Lacking any definite suggestions from the newly organized National Board of Social and Economic Relations, we have not yet crystallized in our own minds the full nature and function of this Board.

However, it clearly lies within our province to bring the following resolutions for Conference action:

1. Whereas the 1952 General Conference made possible the integration of racial churches into Annual Conferences in whose geographical area they are,
   Be it resolved that the Oregon Annual Conference renew the invitation to the Japanese Methodist churches within our geographical limits to become members of this Conference, and extend an invitation to any national groups which may come into existence within our Conference.
   And be it further resolved that the Oregon Annual Conference memorialize the 1956 General Conference to "urge the integration of racial churches into Annual Conferences and Jurisdictions with which they are geographically associated."
   The Conference Secretary to send this memorial to the Secretary of the General Conference.
2. Whereas Bishop G. Bromley Oxnam, resident in the Washington Area of the Methodist Church, has been the object of vengeful and slanderous attack designed to assasinate his character as a patriot and a Christian leader,
   Be it resolved that the Oregon Annual Conference of the Methodist Church, at its Centennial Session in Salem, Oregon, June 16-21, 1953, being acquainted with the work and character of Bishop Oxnam and rejoicing in his published demolition of the tissue of alleged incriminating material, wholeheartedly affirms its confidence in Bishop Oxnam and demands for him a full and public apology from the House of Representatives Committee on Un-American Activities and respectfully petitions the Congress to reform the methods of this Committee to conform with our commonly accepted Anglo-American principles of investigation, evidence, and trial or to abolish the Committee as a threat to the free democratic way of life.
3. Whereas the General Conference spoke with no uncertain voice with respect to the United Nations and the hope of its improvement, (Disc. Par. 2026.6)
   Be it resolved that the Oregon Conference work unreservedly for "revision of the United Nations charter in such manner as to enable that body to enact, interpret, and enforce world law against aggression and war."

OREGON ANNUAL CONFERENCE TRUSTEES

Title to various properties of the conference, including the campsites, the Bishop's residence and various abandoned properties have been vested in the corporation. Various parcels of real property that have been declared abandoned have been sold during the conference year and in nearly every instance the transactions were held up as it was necessary to clear defective titles before the property could be conveyed.

The Grace church and parsonage were declared abandoned property and were sold to the Epworth Methodist Church of the Japanese Provisional Conference for $20,000.

Approximately one acre of land near Dufur in Sherman County which has been placed under trusteeship of the Dufur Church has been sold by that church.

We hold title of two lots in Richman, Wheeler County, with two old shacks on them.

At Antelope the old church is in fair condition and a local group of folks are now negotiating for the purchase of the church.

The Methodist parsonage at Metolius, Oregon, has been sold for $3,000. There has been a payment of $100 made on the purchase price and the balance is to be paid at $50 per month. This was sold on a lease with option to purchase.

The property at Brownsville has not been sold. We have made every possible effort to sell this property but so far have been unable to do so.

The Redmond Church property was sold for $---------- and $1,000 of it was turned over to the Sweet Home church.

In regard to the property at Svenson, Oregon, we have received a check of $400. We have been unable to close the transaction by virtue of the fact of a defective title. The purchasers are insisting upon title insurance. We are expecting to close this transaction in a short time.

May I call your attention to the fact that in the sale of these old properties there sometimes occurs a delay by virtue of a defective title. We cannot close these sales until these defects are cured.

All properties have been insured.

I also desire to bring to your attention the fact that if any property of this kind is to be sold it must first be declared abandoned at a conference session of this body.

F. M. Phelps, Chairman
Board of Trustees

4. Whereas other church bodies in Oregon are considering petitioning the National Council of Churches in a similar fashion,
Be it resolved that the Oregon Conference of the Methodist Church urges the National Council of Churches to set up a national study and action program to be conducted among the churches from Easter to Pentecost, 1954 based on the conference on World Order in Cleveland, Ohio, Oct. 27-30, 1953, and that competent material exploring international problems in the light of the Christian faith be made available to local churches for this study. We believe that out of these local study groups should come regional and national conferences expressing Christian convictions in the field of international relations.

The following meetings are called to the attention of the Conference, and attendance at them by interested persons is urged:

The Institute of Racial and Cultural Relations, Lewis & Clark College, Portland, Ore. July 13-17, 1953:

The Northwest Institute of International Relations sponsored by World Affairs Council, Reed College, University of Oregon, and the Portland Public Schools, at Reed College June 21-24, 1953.

Respectfully submitted,
Raymond E. Balcomb,
Chairman

10. THE BOARD OF TEMPERANCE ANNUAL REPORT

Let it be resolved that;

We commend the President of the United States for his stand and thru our representatives in local, county, state and federal government seek legislation to forbid the use of alcohol in all government buildings and the licensing of bars within such buildings.

In every way possible, let us discourage the use of intoxicants among public officials.

Let us thru our representatives seek to protect our boys and girls in the armed forces against the flow of tax free liquors in our training camps and in actual combat installations and urge the SECRETARY of DEFENSE to exclude all alcoholic drinks from all armed forces installations.

Let us raise our voice against the liquor advertizing in our periodicals, newspapers, radio and televison that subtly encourage our children to drink.

We seek adequate financial support of the Conference and again pledge ourselves to cooperate with the Oregon Temperance League in its splendid educational program.

We admonish every pastor to preach strong, fearless sermons on Temperance, and organize a program of Temperance Education on the local charge and make full use of Commitment Sunday.

We recommend that every Official Board familiarize itself with paragraph 246 of our Discipline so that every church in Oregon should be properly organized to carry on a Temperance Program on the local level.

Respectfully submitted,
The Board of Temperance, Oregon Conference

14. COMMISSION ON CHRISTIAN VOCATION

The Church has a special responsibility for recruiting choice young men and women for leadership in the church and its agencies.

In order to meet this need we suggest the following:

1. Organize and activate each Local Church Committee on Christian Vocations as required by the General Conference. (Discipline, paragraph 246.4).

2. See that the philosophy of Christian vocation is regularly presented to the youth and adults of the Church.

3. See that the opportunities in Church-related vocations are regularly presented to the youth and adults of the Church.

4. Acquaint ourselves with the qualifications needed for all church vocations so that we can explain them to interested youth and adults.

5. Guide and encourage candidates (not coerce) for the pastoral ministry and other church vocations, throughout the period of their preparation.

6. Report annually to the first quarterly conference and to the annual Conference Commission on Christian Vocation, the work of the local Committee on Christian Vocation.

7. Keep records on the Annual Conference level of the progress of candidates for church-related vocations including, Personal Data, Family Background and Information, and Scholastic Information.

Earl Riddle

15. OREGON COUNCIL OF CHURCHES

The Oregon Council of Churches is the agency through which a united Protestantism finds expression. Migrant work, Evangelism, Legislation and Social Action, Christian Education, Cultural and Interracial Institutes, World Church Service relief, Audio-Visual School, Town and Country Institute, Comity (strategy & planning), Institutions, Special Observances and events, are some of the ways the Council functions.

The Oregon Conference supports the Council through a gift of $1200 a year. Also many individuals and local churches give generously of time and money to

12. INTERBOARD COUNCIL

Each passing year has given further evidence of the wisdom of this cooperative planning and promotion on the conference level. The effectiveness and efficiency of all our conference agencies has been greatly increased. But, undoubtedly its finest contribution has come in the deep sense of Christian fellowship which all these agencies have experienced in this togetherness. The one person who has been most responsible for this cooperative venture has been our Executive Secretary, Miss Pearl Sherlock. Her gracious, Christian spirit has made its full impact here. We give thanks to God for her noble service, wise counsel and warm friendship. We unanimously recommend her re-appointment as Executive Secretary for the conference year 1953-54. We are delighted with the good beginning Eugene Laubach has made as her associate and recommend his re-appointment to this work for the ensuing year.

Ralph G. Kleen, Chairman
Interboard Council

13. BOARD OF WORLD PEACE

Not all of the following recommendations come as the united voice of the committee. They were deemed important enough, however, by the majority present to merit their presentation to you for prayerful study and action.

1. We desire to call to your attention the presence of hundreds of Crusade scholars and foreign students on our campuses. We urge our churches to take the opportunity to learn from them about their culture and country. Even more important, demonstrate to them the warmth, love and concern of the Christian fellowship which knows no racial nor national boundaries.
2. We re-affirm Methodism's traditional stand in opposition to U.M.T. and commend continued study of the basis for such action.
3. In keeping with previous action of this Conference and the General Conference of 1952, paragraph 2026 (9), we urge the Trustees of Willamette University to eliminate the Air R.O.T.C. from their campus at their earliest convenience.
4. We commend the trend in the national government toward cutting the military budget, not only because it may in time lower taxes but it also lessens the control of the attitude which seeks to settle all disputes by force rather than reconciliation and the exercise of justice.
5. We heartily commend the recent Oregonian editorial policy urging the necessity to build for peace and not for war. Many believe this to be the only escape from economic disaster.
6. That in line with the General Conference action creating a general Board of World Peace, the name of our committee be changed to the Conference Board of World Peace with district committees on World Peace organized wherever feasible.
7. That each church observe United Nations Day October 24, World Order Day October 25, and World Peace Sunday November 8, and that these dates be inserted in the Conference Minutes Calendar.

Believing that intelligent attitudes and actions come only from sincere prayerful study and discussion, we urge each church to provide opportunities by the use of such resources listed below:

The Methodist Social Creed: 1952 Discipline, pg. 631.

General Conference Resolution on "The Christian Home:" Discipline, pg. 635.

General Conference Resolution on "The Church and War and Peace:" Discipline pg. 643.

Pamphlet: "Local Church Committee on World Peace:" from National Board, 740 Rush Street, Chicago 11, Ill.

"World Alliance News Letter" and leaflet, "United Nations: Facts and Fallacies." 170 East 64th Street, New York 21, New York.

2. Attendance at the Town and Country Training Institute to be held at Corvallis the week of October 12th.
3. The constant study on the part of Town and Country Official Boards of their own local church situation; this study to aim not merely at preserving local churches with limited effectiveness, but aiming at the building of effective Town and Country Churches through the best possible use of available ministerial, lay and material resources.
4. That full study of the Oregon Council of Church survey report be made ministers and laymen.

Earl Jager, Chairman

2. *FORWARD MOVEMENT COMMITTEE*

Last year in the Annual Conference sessions in the Area, action was taken to launch the Portland Area Forward Movement. For it's share in the program, the Oregon Conference undertook to raise $400,000. This was to be divided as follows:

$240,000 for Church Extension	60%
100,000 for Board of Education	25%
40,000 for Woman's Society of Christian Service projects	10%
20,000 for our share of the expense	5%

With a frank recognition of the needs, and a clear vision of our ability to meet them, we entered enthusiastically into this movement to build new churches, strengthen our Wesley Foundation program through improved facilities, and assist in building improvement at the Linnton Communty Center and the Methodist Home in Salem.

The ministers and laymen of the Oregon Conference have responded well. This fact is evidenced in the following figures:

Total Goal	$400,000
Total Pledged to date	330,211
Total Paid to date	93,559

We recommend that the Oregon Conference Forward Movement Committee, in cooperation with the Bishop's Cabinet, and the Area Forward Movement Committee be instructed to continue with the work of the Forward Movement until the goal of $400,000 is reached ($69,789 to go). It is understood that their major efforts toward this end will be directed to those churches which have pledged nothing, or less than their quota. Our Special Conference projects are dependent upon us, and our loyalty. We dare not let them down.

Detailed Figures

Total number of churches	164
Churches pleding the full quota or more	104
Churches pledging less than the quota	36
Churches making no pledge at all	24

Forward Movement Committee
Daniel D. Walker, Chairman

3. *FRATERNAL EMERGENCY COMMITTEE*

The Fraternal Emergency program is for full-time active ministers, including supply ministers. Contributions of $2.00 each are entirely volnutary and build up a funeral benefit fund when a member dies.

A greater participation by members of the Oregon Conference has made possible an increase to $125 in the amount paid in emergency.

Ninety-two persons have participated in the program this year; some contributing once, some twice, and quite a few three times.

19. WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND THE WESLEYAN SERVICE GUILD

Quadrennial Theme: "That the Kingdom of God May Be Realized"
Program 1952-53: "Proclaim the Good News"
Membership of the Woman's *Society* of Christian Service 11,338
Membership of the Wesleyan Service Guild 752. Total: 12,090.

There are 155 *Societies* in the Oregon Conference and 13 *unorganized* churches. 39 Wesleyan Service Guilds include 7 new Guilds and 4 re-activated.

The *Symbol* for the Quadrennium is a compass pointing to all parts of the world, indicative of the world-wide program of the Woman's Division. Around the compass are five concentric circles, each summarizing one of the emphases: Spiritual Growth, Widening Fellowship, A World Church, Peace, and Missions. At the center of all is the cross. Discipleship is at the foot of the cross, indicating our commitment.

Linnton Community Center, as a project for Oregon Conference Methodist women was approved by the Division Executive committee in April and will begin to function with increased facilities in the coming year, using funds from the Division, $1500 from the Conference Society, increased giving from the United Fund, and $1125 available from the Forward Movement. Mrs. C. H. VanMeter is chairman of a committee which has devoted considerable time and thought to this project, working with the Portland Council of Social Agencies and the Linnton Church.

The *Wesleyan Service Guild* has made notable progress under Mrs. Everett Faber. A Guild House Party was held at the Osborne Hotel in Eugene in November to train local Guild presidents, and acquaint them with the Guild Standing Committee and with each other. The success of this indicates that the House Party will become an annual event. The Guilds have been very happy in their support of Hang, Deh Hua, Malayan scholarship student at Willamette University and will continue her support.

This report contains nothing of local church activities, but each church can bear its own testimony to this work. The Oregon Conference Woman's Societies have contributed over $100,000 to local work in addition to the above total receipts.

In the coming year we will stress Evangelism through our local church; we will be interested in the youth emphasis; and we will focus our efforts toward expansion at Linnton Community Center and The Methodist Home in Salem.

4. *CAMP COMMISSION*

At the present time we have real property, improvements thereon and equipment easily worth in excess of $225,000 with no indebtedness. At Suttle Lake we have a long lease with the Forestry Service of the United States and a beautiful lodge. There is still need for adequate caretaker's quarters, infirmary and other improvements.

Camp Magruder's boathouse and workshop which we have talked about so long is well under construction. A contract was let for the construction of the foundation, including the laying of the flooring, for the price of $2,200. This work has been completed and paid for. We have also purchased the lumber for the completion of the building at a cost of approximately $1,500. We expect to complete the building during the summer months with the use of donated labor.

Other improvements at Camp Magruder are: Remodeling and new equipment in kitchen in Bunchelo Lodge; replacing and adding new toilets in Carrier Lodge. During the winter the wharf collapsed due to high winds. It has now been rebuilt and is in as good a condition as ever.

At Myrtlewood we have been compelled to meet in rented quarters; however, the Commission is investigating looking toward the purchase of a campsite and we look forward with optimism to the day when the campsite may be purchased and the improvements actually under construction.

The buildings on all campsites and the equipment therein are adequately insured on a 90 per cent basis.

The Capital Account of Camp Magruder will be practically depleted upon the final payment of the lumber for the completion of the boathouse.

You also authorized us to go on a quiet hunt for funds. We are again requesting that a day be set aside to be designated at "Campsite Day" and that each and every church be requested to feature the campsites on that day in order that they may be brought to the attention of the congregation. We are further requesting that your Commission be authorized to present the needs of these camps to private individuals and obtain gifts to carry on the work of construction. Our earnest effort together will bring victory.

Last year I said a word of appreciation to one who has given so much of herself to the program of the campsites and who has always given encouragement when encouragement was so necessary. To Pearl Sherlock, we want to say "Thank you."

F. M. Phelps, Chairman
Campsites Commission

6. RESOLUTIONS COMMITTEE

The delegates of the 100th annual conference make the following resolutions:

Whereas the First Methodist Church of Salem has gone to great lengths to be of every possible assistance in the workings of the conference:

Dr. and Mrs. Brooks Moore, who as host and hostess, directed the many details of the conference;

The women who provided refreshments for the delegates;

The many members of the church who took delegates into their homes.

Whereas Dr. Harold F. Carr, president of Illif Theological Seminary, was our conference speaker on three relevant Christian themes

Whereas the Salem Chamber of Commerce made provision for free parking for delegates

Whereas Bishop A. Raymond Grant has provided over sessions, worked and counseled with committees, led worship each morning with a remarkable aplomb and inspiration:

Be it therefore Resolved that the delegates of the 100th Oregon Annual Conference go on record as expressing our deep thanks and gratitude for these who have made this conference expedient, comfortable, and an inspiration to the life of the Oregon Methodist Church.

7. COMMISSION ON WORLD SERVICE AND FINANCE

Your Commission on World Service and Finances desires to emphasize a statement made in the Report of the General Conference Commission on World Service and Finance to the General Conference at San Francisco:

7. The total necessary to maintain the schedule of minimum support is provided by an amount of $7160 in the Minimum Support Fund, obtained by apportionment to the charges on the Oregon Annual Conference approved schedule of apportionments. An additional amount shall be obtained by a voluntary assessment of ½ of 1% of the cash salary of those ministers receiving the minimum salary or less, and 1% of the cash salary of those ministers receiving above the minimum, (see Conference Rule 27 Sec. 3). The Conference Committee on Minimum Support will administer the minimum salary plan and will be responsible for collecting and distributing the fund. (Par. 826 of Discipline).
8. For the support and expense of the District Superintendents, we recommend an apportionment to each charge equal to 9% of the pastor's cash salary, which will produce approximately $36,000. This money shall be received and banked by the Annual Conference Treasurer and distributed by him as follows:
   A. Each District Superintendent shall be paid an annual salary of $5,000.
   B. Each District Superintendent shall be paid an allowance of $1200 per year in lieu of house rent.
   C. The District Superintendents shall be allocated annual expense accounts not in excess of the following amounts:

Forest Grove District	$1700
Portland District	1700
Salem District	1850
Southern District	2000

   This shall cover all expenses in connection with his duties as District Superintendent. Each District Superintendent shall file a monthly expense account with the Treasurer of the Conference on forms provided by the Conference Treasurer to become part of the records of the Commission on World Service and Finance.
   D. An amount equal to 17% of the District Superintendents' cash salaries shall be paid to the Conference Claimant's Fund.
   E. A maximum of $275 is allowed for the moving expenses of a District Superintendent.
9. Annual Conference Administration funds shall be apportioned to the charges by the District Superintendents. They are:

1953-54 BENEVOLENCE BUDGET OF THE OREGON ANNUAL CONFERENCE:

RATIO BENEVOLENCES

4. The item under Section 2A, Fixed Payments, is a preferential charge on all Annual Conference Benevolence receipts. The remainder of the Conference Benevolence Budget shall be distributed on a pro-rata basis. All participants shall share and share proportionately until they have received their full appropriation, and cease sharing after they have received the amounts appropriated. When the Annual Conference Benevolences have been paid in full, any overages shall be paid to World Service until that apportionment is paid in full; any further overage shall be divided equally between World Service and the Oregon Annual Conference Benevolences.
5. The Interboard Council is directed to set aside $100 of its appropriation for postage and mailing for the use of boards and commissions not now included in the Annual Conference Benevolences.
6. The new items in the Conference Benevolence budget this year are: Area Office Equipment, $200; Oregon-Idaho Conference Survey Expense, $250; Emergency Fund, $3,000.
7. The total of benevolences recommended by the Commission is as follows:

World Service	$ 69,331	
Conference Benevolences	51,144	
Total	$120,475	(see schedule A.)

	1951	1952
Budget accepted	109,935	118,284
Collected	104,742	112,403

8. Special Campaigns: We recommend that—
   a. Willamette University Sunday be observed on November 8, when the cause of the University may be presented and a special offering taken for it. It is the hope of the Commission that this offering may be increased until it approximates the General Conference suggestion of 50 cents per member for church related colleges.
   b. The Pension Fund, which was begun in 1946, shall be carried on until the $217,760 goal is realized, on the quotas adopted by the 1947 Annual Conference; and that Conference Veteran's Day be observed December 6 in all the churches; and that a free will offering for the Minister's Reserve Pension Fund be received.
   c. The Institute Sites Commission be authorized to continue a quiet campaign for capital funds without quotas or assessments.

C. Other Items

1. The percentage approved by the General Conference for the Episcopal Fund as an apportionment to each charge is 2% of the pastor's current salary.
2. To raise money for the Bishop's residence, an assessment of ¼ of 1% of the pastor's cash salary is continued in accordance with Para. 710 of the 1952 Discipline.
3. The General Administration Fund apportionment to this Conference for the year 1953-54 is $2535. This fund shall be apportioned to the charges on the basis of the Oregon Annual Conference approved schedule of apportionments.
4. The Interdenominational Cooperation Fund annual apportionment for the quadrennium 1952-56 shall be $2028. This fund shall be apportioned to the charges on the basis of the Oregon Annual Conference approved schedule of apportionments.

   NOTE: Churches which have been making direct contributions to either or both, National Council of Churches, or World Council of Churches, should now channel them through this fund.
5. The Jurisdictional Conference Expense Fund for the year 1953-54 is ¼ of 1% of the pastor's cash salary as published in the 1952 Oregon Conference Journal.
6. To pay the Conference Claimants annuity rate of $33.00 requires approximately $86,334. The present plan of apportionment, together with the receipts from the Methodist Publishing House, the Board of Pensions and the Chartered Fund, and the accrued interest on Conference funds, will provide income sufficient to meet this annuity rate.

9. REPORT OF THE COMMITTEE ON CIVIL RIGHTS

We reccommend that the Oregon Annual Conference go on record favoring the appointment of officials, city, state, or federal charged with law enforcement who are personally committeed to the principle of equality of races as embodied in the Declaration of Independence, which Abraham Lincoln called his political bible, and embodied in the Oregon Civil Rights Statute, and that this be sent to the party in power through its Oregon responsible representative.

Whereas we believe the taking of life to be incompatible with the teachings of Jesus and the New Testament faith, we hereby go on record as being opposed in principle to capital punishment as a State policy and we favor the conitnued study by the Oregon State legislature of the matter with the view of finally eliminating such punishment from our State laws. We ask that a copy of this resolution be sent to: The Governor of the State of Oregon, the President of the State Senate, and to the Speaker of the State House of Representatives.

Whereas Oregon's Fair Employment Practices law is a natural starting point for education in action to overcome discrimination. We recommend that the Methodist Church in each locality cooperate with the Oregon Bureau of Labor in following Fair Employment Practices. We can by such action defend human dignity, create individual self respect, and uphold the great Christian ideal of "the value of the individual."

8. *VISITORS TO PACIFIC SCHOOL OF RELIGION*

Pacific School of Religion has been preparing men for work in Western Churches for eighty-eight years. It is a pioneer in preparing men for the town and country ministry.

Last year ⅓ or 33 percent of the student body were Methodist and a large number on the Board of Trustees are of our church. Yet our Church furnished only 12 per cent of the school's income.

Therefore we recommend that the matter of defininte financial support for the Pacific School of Religion be referred to the Conference Commission on World Service and Finance for consideration.

We also urge our Board of ministerial training to recommend Pacific School of Religion to our ministerial candidates as a school worthy of their consideration.

Sincerely submitted,
THE COMMITTEE
